Brand New Book ***** Print on Demand *****.The origins of Arthurian romance will always be a hotly disputed subject. The great moments of the legends belong partly to dimly-remembered history, partly to the poets imagination down the ages, yet there is another strand to the stories which goes back deeper and further: the traces of ancient pagan religion, found both in Arthurian heroes who have inherited the attributes of gods, and in episodes which reflect ancient religious rituals. Darrah s careful study of the thematic relationships of, particularly, the more obscure episodes of the romances and his identification of the relative geography of Arthurian Britain as portrayed in the romances will be valuable even to those who differ with his conclusions. JOHN DARRAH has also written The Real Camelot .
