Brand New Book ***** Print on Demand *****.The book is about self-discovery but with a twist. Self-discovery allows us to find the core of our being. In this book, Walking Our Talk: the Ultimate Guide to Self-Discovery, we will learn how to self-diagnose our own faults and create meaningful solutions based on our personal experiences and the experiences of those around us. We will learn to change our future path by creating a viable business plan for life. We may even seek professional help if necessary. Are you ready to see beyond the rainbow? It deals with the type of ownership we currently have in our lives. These include Sole Proprietorship, Partnership, and Limited Liability Corporations (LLC). These legal entities have different risk components and advantages, similar to life. Which one of these entities fits what we ourselves envision for our life? Most companies pick the business entity that best fits their vision. They have calculated all the advantages and disadvantages of that entity. Finally we will gain some form of inner peace. We move from the darkness and into the light. Our view of the world is an optimistic one. We live in the real world and know how to deal with real world situations. We have no illusions as to what might await us down the road but we are confident that our positive outlook and our self-awareness will see us through.
