BUSINESS STATISTICS (SECOND EDITION)

Pearson Education, 2013. Softcover. Book Condition: New. 2nd edition. The importance of statistics in business and economics is underscored by the fact that it is a core subject taught in management schools across the world. The emphasis placed on the applications of statistical software programs in statistical analysis and decision making makes Business Statistics highly relevant to readers. Designed to meet the requirements of students in business schools across India, the book presents case studies and problems developed using real...
