Brand New Book ***** Print on Demand *****.Warner Doles writes the way he preaches - with passion, compassion and with clear practical Biblical insight. You hold in your hands a powerful tool to study, teach, preach and apply in both Galatians and Colossians. I am personally grateful for the challenging word from a seasoned pastor and a devoted follower of Jesus Christ.Rev. Ronnie BowersSenior PastorFlint-Groves Baptist ChurchGastonia, NCI enjoyed reading the manuscript. It gives good background and explanation of the heresies in both Galatians and Colossians. One can feel Paul s intense concern for the Christians as they faced the dangers that false teachers were promoting in their heretical belief systems. People today need to be warned and encouraged to avoid anything that would keep them from close fellowship with Christ. There is ample opportunity to do further in depth study from the notations. The prayers of the Christian Greats from the past were also a blessing.Glenn V. Tingley, Jr.A Boyhood Pal of The Author.
