Stock Options For Dummies

By Alan R. Simon

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Stock Options For Dummies, Alan R. Simon, If you're like the majority of the estimated 12 million employees in the U.S. who have stock options as a key component to their compensation packages, you have a vague notion, at best, of how options work and what they can mean to your financial well being. What's the vesting schedule for your shares and how will their strike price be set? What type of stock option grant will you receive, an ISO (incentive stock option) or an NQSO (non-qualified stock option)? What tax rules apply to your option program? Your financial future could depend on your knowing the answers to these and other questions regarding your company's stock option plan. Confused by all the brouhaha surrounding stock options? Let expert Alan Simon demystify this often-confusing investment vehicle for you. Featuring clear explanations of how your stock options might make you money-or not-this friendly guide fills you in on what you need to know to:* Understand different types of stock options* Read and find traps in your stock option agreement* Evaluate the pros and cons of company investment vehicles* Assess vesting schedules...
