The American History Detective Book (Paperback)

By Stacie Hutton

Good Year Books, United States, 2012. Paperback. Book Condition: New. 3rd. 274 x 213 mm. Language: English Brand New Book. What if children could experience a historical event and do what comes naturally: ask questions, make assumptions, come to conclusions, and relate the event to the present day? These activities let students become real crime-scene investigators as they consider clues that might have been left behind after a historical event, including primary source documents and easy-to-find props. Students read a summary of an event and ask who, what, where, when, and why questions for scenes ranging from Columbus s arrival in the Americas to the Vietnam War. For each of the 16 lessons, students fill out a reproducible activity sheet to organize their findings, then answer questions, do optional further research, and role-play a conversation between a detective and a historical figure. Grades 4-8. Third Edition.
