The Principles of Teaching (Classic Reprint) (Paperback)

By Edward L Thorndike

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Principles of Teaching The aim of this book is to make the study of teaching scientific and practical - scientific in the sense of dealing with verifiable facts rather than attractive opinions, practical in the sense of giving knowledge and power that will make a difference in the actual work of teaching. It follows the example of the better books on education in basing principles of teaching upon the laws of psychology; it makes use of modern scientific psychology and especially of recent investigations in genetic and dynamic psychology; it seeks to make use also of the direct studies of teaching itself which have been made by qualified experts; it is arranged as a manual to guide the student in applying principles himself rather than as a series of discussions to be thought out or, more often, to be simply absorbed. The book demands of students knowledge of the elements of psychology, particularly of dynamic psychology. The references entitled Preparatory (or their equivalent) will fulfill this prerequisite. These references are to the author s Elements...
