Brand New Book ***** Print on Demand *****.Building one s own house is a dream that several potential homeowners have at some point, but many may be hesitant in achieving this dream due to uncertainty in building skills and knowledge. What is needed is a comprehensive reference guide for designing and building the home and/or room you want to enjoy and share with others. Professional remodeler John Knoelk provides his building expertise in his new book, Quitting is not an option; It s not on the menu. John shares his knowledge from forty years of building and remodeling, offering a vast collection of size measurements, dimension charts and general insight for developing rooms or whole house. As though he were walking with readers through each room of the house, John expounds on the necessity of universal design in floor plans and even helps with designing exterior features, like sidewalks and driveways. Don t quit the dream; design it to reality.
