Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.
(Elva Kemmer)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Palace of Strange Girls, Sallie Day, I-SPY AT THE SEASIDE Hello, children! Welcome to your very own I-Spy Book. In these pages you'll be able to look for all kinds of secret, exciting things that are found only by the sea. Blackpool, 1959. The Singleton family is on holiday. For seven-year-old Beth, just out of hospital, this means struggling to fill in her 'I-Spy' book and avoiding her mother Ruth's eagle-eyed supervision. Her sixteen-year-old sister Helen, meanwhile, has befriended a waitress whose fun-loving ways hint at a life beyond Ruth's strict rules. But times are changing. As foreman of the local cotton mill, Ruth's husband Jack is caught between unions and owners whose cost-cutting measures threaten an entire way of life. And his job isn't the only thing at risk. When a letter arrives from Crete, a secret re-emerges from the rubble of Jack's wartime past that could destroy his marriage. As Helen is tempted outside the safe confines of her mother's stern edicts, with dramatic consequences, an unexpected encounter inspires Beth to forge her own path. Over the holiday week, all four Singletons must struggle to find their place in a shifting world of promenade amusements, illicit sex and stilted afternoon teas, in this touching and extraordinarily evocative novel.
