Plague: Its Cause and the Manner of Its Extension Its Menace Its Control and Suppression Its Diagnosis and Treatment; With Bacteriologic Observations (Classic Reprint) (Paperback)

Filesize: 6.9 MB

Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Cassandra Von)

Brand New Book ***** Print on Demand *****.Excerpt from Plague: Its Cause and the Manner of Its Extension Its Menace Its Control and Suppression Its Diagnosis and Treatment; With Bacteriologic Observations The question of the need for new books upon medical topics must ever remain undecided, by general agreement, in the medical profession. There is no such thing in medical literature as an insistent demand from the profession for new volumes upon old topics. Authors need not hope, therefore, to create the impression that they are meeting long-felt though unexpressed wants of medical readers in launching new books. On the other hand, the creator of a new volume upon an old subject should seek justification for literary paternity in the progressive changes in the status of our knowledge of disease, its causes, prevention, and cure. Such changes are admittedly going on with a certain degree of constancy and at such a rate of frequency that new presentations of old themes are both justified and desirable from time to time. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
