Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Soldiers are serving today in one of the most dangerous periods in our history. They are making enormous contributions and sacrifices at the forefront of the Global War on Terror. Their boots on the ground have enabled historic elections in Afghanistan and Iraq and will be required for democratic institutions to take hold. Operating as part of the Joint Team, our Soldiers are preventing attacks on the Nation, responding to natural disasters at home and abroad, helping to secure our borders, and underwriting our nation s commitment to defend its interests. In light of the growing threats to the Nation posed by states and non-state movements and organizations, the environment in which our Soldiers will operate will remain extraordinarily dangerous for the foreseeable future. Our mission within this environment will remain largely unchanged. The Army, as a vital ground component of the Joint Team, will be required to conduct prompt, sustained combat and stability operations. We will continue to provide the forces and capabilities to the Combatant Commanders needed to sustain the full range of U.S. global commitments in the face of growing challenges. As U.S. ground forces have demonstrated so vividly since 9-11, the ability to operate in the human dimension - to directly confront, to defeat, or to otherwise influence our adversaries - can only be provided by putting boots on the ground. Ground forces will play a central role in countering the spread of radical ideologies, influencing people, and bringing order and stability to troubled areas worldwide. This capability will become increasingly important for the Nation and its friends, allies, and coalition partners. To prepare our Soldiers for the challenges they will...
