Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.You have worked hard, saved diligently, and invested wisely. You are about to say goodbye to the working years, and hello to living life on your own terms. You have enough money tucked away to make it, so let the golden years begin! But be careful. Predators lurk in the shadows of that bright, green meadow you are about to step onto, and retirement nest eggs are their favorite meal! In the words of one couple who retired just as the 2008 market crash wiped out almost half of their savings, It s a jungle out there! It can be a jungle out there - fully stocked with predators for which unprepared retirees are easy pickings. Author and financial planner Dave Evans has spent decades identifying threats to financial security and has exposed seven of the most dangerous ones in Retirement at Risk! His mission is help you keep your financial footing throughout retirement and avoid ending up at the bottom of the food chain, so to speak. Some of the predators you encounter here will be obvious - their danger readily apparent. Others will surprise you. They are well camouflaged - hiding in plain sight. Some of these critters may not be a threat to you now, but could appear later. You will learn how each of them threatens your financial security, and how to arm yourself with strategies and concepts that will keep them at bay for good!.
