Abe Lincoln's Dream

By Smith, Lane.

Roaring Brook Press. 1 Laminated Cover(s), 2012. hard. Book Condition: New. Entertainingly goofy, to satisfy readers and listeners up to 7, but also thoughtful enough to lend a little wonder to grownup Abe Lincoln fans, Lane Smith's delightful portrait of our 16th president revisits the legend of Lincoln's ghost, with cartoon collages that recall the muted colors and crosshatched lines of old engravings. Young Quincy spots the brooding spirit during her tour of the White House, and Lincoln admitsbetween musty jokesthat he has troubling dreams of sailing a strange ship toward an unknown shore. Quincy then guides the flying specter across the Union he left behind and even up to the moon, explaining to him the progress we've made, and later she has her own dream of a smiling Lincoln on a shiny new ship. 32.

Reviews

Good e book and valuable one. Better then never, though i am quite late in start reading this one. You are going to like how the article writer publish this publication.

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
