Waking up from the illusions, delusions and confusions that keep us asleep. There is a journey we all must make. We will either choose to make it or we will be forced to make it. It is the journey of awakening from our ignorance that makes us suffer to an enlightenment that restores our happiness. After 35 years on this inner road Mike George sets out the phases, levels and the mindsets that we will all encounter along the way. He maps the journey simply and concisely in a way that is accessible to anyone. He shows us how to wake up and free our self from the illusions and delusions that we have all absorbed and how to stay awake in a world that depends on us being asleep! Mike is an author of 12 books on spirituality and self-awareness.
