Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.A collection of fifty poems, inspired by nature s beauty and spiritual perfection, by Steve Robison. Nature is divine, and in nature there are lessons. This book presents poetically the lessons which lead the reader to deeper understanding of the world and its mystery. God is in the atom, said Einstein. Poet Steve Robison finds God in the tree, in the flight of a seagull, in the sunrise and sunset. There are many paths to enlightenment; nature is a soft and gentle teacher. The poems in this collection move, lead, nudge, and inspire the discovery of the light in all us, reflected through the mirror of nature and her creatures. To seek purpose in nature is to lose some of its beauty. Nature s essence is alive and breathing and artful and glorious. The song of a warbler The warmth of a fresh rose The touch of soft rain Beyond what forever knows Forever in tune Cohesively, they grow Flowers, plants, weeds and trees Giving wonderment that always shows.
