Brand New Book ***** Print on Demand *****.They re on a rampage, writes Gerald Walpin, one of the country s top litigators, in his astonishing new book, The Supreme Court Vs. The Constitution. And it takes just five of them to lay waste to the rights of 300 million Americans. A mostly bare majority of justices of the United States Supreme Court, the only judicial body enshrined in the U.S. Constitution, have spent recent decades reversing, revoking and rescinding the fundamental guarantees of that sacred document to the people of America. They ve freed thousands of murderers, rewritten sound and time-tested laws, crippled religious liberty, enabled the spread of pornography and immorality. They have ignored the letter and spirit of the Constitution and its amendments in grabbing power that rightfully belongs to the Executive and Legislative branches, the states and, ultimately, the people. Gerald Walpin, who prosecuted criminals and pursued crooked bureaucrats as a federal Inspector General nominated by President George W. Bush and confirmed by the U.S. Senate, and, many years before, as a top prosecutor for the Department Of Justice in New York, dramatically sets out the deliberate push by a bare majority of Supreme Court justices to usurp the role of our country s elected lawmakers and executives. The justices time and again seize the rightful authority of those we elect to represent us, and with unchallengeable arrogance undermine the inalienable rights that long have made the United States the world s brightest beacon of freedom, democracy, and personal security. According to Mr. Walpin, who also served for many years as head of litigation at a noted New York law firm, the Framers of the Constitution and those who drafted and...
