Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Companion to the British and American Hom opathic Pharmacop ias: Arranged in the Form of a Dictionary The third edition of the Companion to the British and American Hom opathic Pharmacop ias being exhausted, in compiling a fourth I have endeavoured to improve it as much as possible. Many of the processes, characters, and tests given in the third and last edition of the British Hom opathic Pharmacop ia consist of reprints from the British Pharmacop ia of 1867, but a new edition of the latter work having been published with many additions, corrections, and alterations of processes, symbolic formulae, c., the corresponding corrections and alterations have been made in this work, bringing the Companion up to date without altering in any way the general plan of the book; and in conclusion Chemists will find this a handy manual, giving them all the information necessary for the preparation and dispensing of drugs peculiar to Hom opathic Pharmacy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
