Outskirts Press, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Alexander Gunn is not afraid to speak out against the greed, corruption and political correctness that threatens the existence of America. Mr. Gunn is not afraid of denouncing the corporate domination of our economy and government. Here is a wake up call for the middle class (what s left of it) and working class, who are subjected to a pro-corporate media and government that rarely or never have their interests at heart. Globalization, raw capitalism and trade schemes like NAFTA, have spelled disaster for the great majority of Americans. As Wall Street and the elite snivel for more bailouts, bonuses, free trade fraud and tax breaks, the American worker is being slowly crushed by stagnant wages, offshoring, underemployment, excessive immigration and debt. American Dissident, Save Our Society examines the realities facing the American worker today and it pulls no punches. This powerful book should be read by anyone who cares about the future of the United States.
