Reviews

It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lehman, Chairman of the Subcommittee, presiding. Statement of Hon. Richard H. Lehman Chairman Lehman. The Subcommittee will come to order. The Subcommittee is meeting today to conduct an oversight hearing on the Federal Helium Program administered by the Bureau of Mines in the Department of Interior. While most people may associate helium with balloons and blimps, it is also used in the space shuttle program, in Starwars research, for cryogenics and magnetic resonance imaging. The federal government got involved in producing helium during World War I when the Army and Navy became interested in using it for dirigibles, more commonly known as blimps. Congress then passed the Helium Act of 1925, which created the Federal Helium Program. Later, concerns that helium supplies were tapering off prompted Congress to replace the 1925 Act with the Helium Act amendments of 1960, which set out the program we are considering today. The 1960 Act was intended to conserve helium and to supply the current and foreseeable future needs of the federal government. The law authorizes the Secretary of the Interior to buy helium from private supplies and store it for use by the federal government m federally owned plants and related storage facilities. The Act also encouraged private industry to participate in helium recovery, as previously the federal government had been the only-domestic helium producer. During the 1960s, the Bureau of Mines contracted with private companies to supply helium to the federal government. To finance purchases, the Bureau of Mines borrowed $252 million from the Treasury,...
