Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Money Pixies are real. They live in deepest darkest corners of our subconscious minds and keep us living mediocre lifestyles whilst preventing us from having the success and abundance we deserve. The current economic climate provides ample breeding grounds for Money Pixies and the media bombard us with how bad the global economy is, how hard job start to find, how tough conditions for businesses and generally how miserable life is. Then, we hear our friends and family complaining about everything and our opinion of how tough conditions are is reinforced. The good news is that Money Pixies can be defeated. In this book Heather Barlow shows you how you acquired your Money Pixies, how to test which ones are lurking in your mind, how to neutralise them, and how to reprogram your subconscious to transform your mindset and attract the abundant lifestyle that you deserve. About the author Heather has been studying psychology and philosophy for a number of years and her particular area of interest is the subconscious mind and how what we believe affects our lives. Heather has also published to science fiction novels Judgement Wolf and Conflicts of Interest which are available to download for the Amazon Kindle.
