Brand New Book ***** Print on Demand *****.Gretchen, who is learning to be a witch, leaves home to study with Grizelda. There is trouble brewing - well, not so much brewing as quietly simmering on a low heat, looking innocent! Grizelda s crystal ball will only show a vague shape behind a thick red fog. Is it smoke from dragon fire? Could the shape be Wil, the stranger from a different world, who blunders in where others don t dare to? Whatever it is, Gretchen hopes she will be in the middle of any adventure that crops up, even though she hasn t passed Stage One of Witchery yet. But dark magic should never be stirred up- it gets indigestion and comes back with enough force to knock you off your feet!.
