Mi Mathematics: Numerical Syncronisities from My Entity Experience

By Larry Dale

BookSurge Publishing. Paperback. Book Condition: New. Paperback. 286 pages. Dimensions: 9.0in. x 6.0in. x 0.7in.Ever since his entity encounter the author has spent much of his time trying to understand Why Mi Mathematics illustrates how important this question has become and because the diversity of the search seems endless how it is a dominant factor in his everyday life. Mi Mathematics serves two general purposes: firstly, it gives the detail that is lacking in the first title, Mi, where many of the coincidences presented there had to be taken on trust by the reader. Secondly, as the sequel it transforms the coincidences into true synchronicities exposing an intricate web of connections to events previously accepted as being separate. Mi Mathematics contains other details that go beyond the scope of the first book such as Unification Theory in the Epilogue which demonstrates that the Tridel factors have some connection to micro macrocosmic theories. Mi Mathematics contains ideas that might be useful to researchers of strange phenomena the clock and crossword diagrams being examples while offering a fascinating challenge to a skeptical mind. Although Mi Mathematics contains a summary of the Mi book it also has many references to topics not mentioned...
