Outskirts Press. Paperback. Book Condition: New. Paperback. 122 pages. Dimensions: 9.0in. x 6.1in. x 0.4in.The Time Has Come For Change In AmericaFor starters, how about choices Presently, we really only have two: the Democratic and Republican parties. The Libertarian and Independent parties exist, but not in a meaningful way. The media pays no attention to them and their organizations are meek at best!When was the last time a member from one of these two parties was elected to a prominent position I would be hard pressed to name one. I think Joel Liberman from Connecticut recently won the senate race as an independent, but that was strictly circumvention of the system since he lost the primary race as a Democrat! So what is he now Of course hes a Democrat so what does that say for the system Not much. I view the Democratic and Republican parties as one long continuum. You have the hard line right wingers of the Republican Party all the way to the right of the continuum, and the liberal left wing Democrats all the way to the left of the continuum. Then you have a bunch of moderates who represent the bell curve in the middle from both parties. In essence you almost have one party to choose from: the moderates, because the right wingers and the liberals dont have enough clout to get anything done, but they have attached themselves to these two parties. Why havent they created their own respective parties I dont have the answer to that, but my gut tells me it has to do with what else, fundraising. The reality is that they should form their own respective parties and then fight for what they truly believe in instead of leeching off of the Republican and Democratic parties. At least...
