DURABILITY IN CONSTRUCTION: REBUILDING TRADITIONS IN 21ST CENTURY ARCHITECTURE (PAPERBACK)

Papadakis, United Kingdom, 2015. Paperback. Book Condition: New. 276 x 222 mm. Language: English . Brand New Book. This book includes thoughts and experiences from contemporary architects who promote durability in their buildings. It demonstrates real examples of construction projects with superb photographs and informative essays. It features experts who highlight the principles, materials and techniques behind durable architecture. For centuries the idea of durability was central to the practice of architecture. Today ephemeral, short term construction has become normative;...
