Have you ever queued for a restaurant? Preordered something months in advance? Fought for tickets that sell out in a day? Had a hairdresser with a six-month waiting list? There are people who don t chase clients; clients chase them. In a world of endless choices, why does this happen? Why do people queue up? Why do they pay more? Why will they book months in advance? Why are these people and products in such high demand? And how can you get a slice of that action? In Oversubscribed, entrepreneur and best-selling author Daniel Priestley explains why and, most importantly, how.
