It should also leave an indelible mark on the current conscience. Come, Wewoka - Poems on the Trail of Tears is a collection of heartfelt reflections on Cherokee culture during those days and after. Diary of Medicine Flower - Cherokee Aphorisms is prose-poetry reflecting Cherokee views on modern life. Together, these two works provide a sense of the vibrancy of Cherokee culture that is far from faded, but in well worth the sampling. Edward C. His recent poetry anthology, The Clandestine Closet, has been well received.
