Texas A M University Press, United States, 2001. Hardback. Book Condition: New. New.. 240 x 164 mm. Language: English . Brand New Book. Hoover, the president of economic depression; Roosevelt the president of recovery--the public images of these two men are so firmly fixed that they offer shorthand ways to talk about the era we know as the Great Depression. Yet their views on economic policy for taking the country out of its greatest economic calamity were not so different as is often supposed. Indeed, the famed journalist Walter Lippmann once claimed that Roosevelt s legislative measures represented a continuous evolution of the Hoover measures. Moreover, both Hoover and Roosevelt shared a Keynesian conviction that public confidence was vital to recovery. They differed markedly, of course, in their ability to restore that confidence. Roosevelt s advantage lay not just in his position in the changing of the guard. He employed a skilled staff of speech writers, and he had the negative example of Hoover before him from which to plot rhetorical strategies that would be more effective. In Rhetoric as Currency, Houck uses the historical context of the Great Depression to explore the relationship of rhetoric to the economy and specifically economic recovery. He closely analyzes Hoover s rhetorical corpus from March 4, 1929, through March 3, 1933, and Roosevelt s from January 3, 1930, through June 16, 1933. This longitudinal study allows him to understand rhetoric as a process rather than a series of isolated, discrete products. Houck first examines Hoover s presidential rhetoric, tracing its paradoxes and the radical shift that occurred in the final year of his administration. The Depression, in his rhetoric, was a foe to be vanquished by an optimistic Christian and civic faith, not federal legislation. Once he determined that federal intervention was indeed...
