Brand New Book ***** Print on Demand *****.Have you ever experienced a sign from a deceased loved one that brought you comfort during your grief? Perhaps it was a familiar scent such as their cologne, a touch when you were clearly alone, or you heard their favorite song on the radio while thinking of them. Did they visit you in a dream with a distinct message, appearing vibrant and healthy again? These signs are referred to as After-Death Communications, or ADCs. Research shows millions of people from different races, cultures and religions have experienced them. ADCs bring hope in times of sorrow and show us our loved ones never truly leave us. The highly spiritual experience of an ADC is one to be welcomed and embraced, never feared. For many it is a source of comfort, acting as a catalyst in overcoming grief. Feelings of pain and loss following the death of a loved one are inevitable, but they don t have to be disabling. In Volume 2 of He Blew Her a Kiss, you will continue to be lifted up and enlightened by stories from across the nation. You will find inspiration and answers through true accounts from people just like you. This book brings confirmation and awareness to people who have experienced ADCs but were too afraid to express them.
