Brand New Book ***** Print on Demand *****.Not all extremists are murderers, and not all murderers are irredeemable. Exploring the line between fact and fiction that media often blurs, 50-50 pits a former London gangster, Mick, against an Islamic extremist-turned-terrorist, ZIN, when the latter s cell kidnaps Mick s wife to guarantee his cooperation with a plan to contaminate London with atomic uranium. Both men are forced to reexamine their values and decide how far they re willing to go to protect what matters most. A fascinating look at how modern media s distortions can make an impact on people s everyday lives, this debut novel by John R. Lawrence delves into the murky world of human motivations and wrestles with the question of whether a man can redirect his course once he s started down a certain road. After reading this eye-opening political thriller teeming with heroes and antiheroes, you will begin to wonder how much news is actually just cleverly cloaked fiction-and possibly even feel unexpected empathy for people you once saw only as hated enemies.
